

Bemidji Summer Tennis 2019

Elementary Program: Players will get a GREAT introduction to Bemidji Tennis! Our goal is to make this summer program a positive experience for every young athlete involved. We focus on every skill and experience level, which means players get a mixture of individual instruction, large group games, small group activities, and frequent competitions with and against their coaches!

Middle Level Program: The Middle School program maintains the same principle of providing a positive experience for every athlete, while adding an emphasis on more advanced player development and match play.

Assistant Coaches: Coaches at every level have considerable high school and/or collegiate playing experience, and their tremendous work allows us to keep a low player/coach ratio for drills, activities, and small group work in all of our sessions.
