

Bemidji Summer Tennis 2020

Elementary Program (Grades 2-3 & 4-5): Players will get a GREAT introduction to Bemidji Tennis! Our goal is to make this summer program a positive experience for every young athlete involved. We focus on every skill and experience level, which means players get a mixture of individual instruction, large group games, small group activities, and frequent competitions with and against their coaches!

Middle School Program (Grades 6-8): The Middle School program maintains the same principle of providing a positive experience for every athlete, while adding an emphasis on more advanced player development and match play.
